ML: 1mg/100ml

PS: 6mg/100ml

C.S.H: 37% Hungarian Oak

Time in Oak: 20 Months

750 cases produced

Tasting notes

Once again we had yet another long cool growing season in 2011 which resulted in one of the most balanced and structured vintages. This 2011 offering shows an amazing depth of both red and black cherry fruit. The tight grain Hungarian Oak characters are very subtle and integrated with the wine, showing hints of vanilla and cinnamon. The palate is full, soft and round, with elegantly smooth soft tannins that feel like liquid velvet.
